2 When you're FINISHED with Therapy

The V.A.C.® Therapy system is a rental unit. It must be returned to 3M at the completion of your therapy.

Return the V.A.C.® Therapy Unit to 3M at no cost to you!

1. Disposable items (e.g., tubing, connectors, clamps, canisters, dressings, booklets, fabric carrying case), whether used or unused, should not be returned to 3M. Please discard per state, local, regional and national laws and provisions. Discarding used canisters with household waste could violate hazardous waste laws. Your healthcare provider can help with this information.
2. Place the 3M™ ActiV.A.C.™ Therapy Unit and power cord into the black hard case.
3. Place the case into the blue shipping bag. The prepaid shipping label comes attached to the blue shipping bag.
4. Drop off at your local shipping location using the pre-paid label, at no cost to you. If you are unable to drop off at your local courier shipping location, please contact 3M at **1-800-275-4524, option 2**, then dial ext. **45995#** 24/7 and 3M will coordinate the return. Do not call the shipping courier directly as this may result in you being charged.
