

SOLVENTUM TERMS AND CONDITIONS OF SALE

1. Definition

In these terms and conditions of sale, unless the context otherwise requires:

“Customer” means the person or company named in the quotation, order acknowledgement form, proforma or tax invoice issued by Solventum, as the case may be (and in the case of an individual, his executors, administrators and assigns and in the case of a company, its successors and assigns).

“Solventum” means the Solventum entity named in the quotation, order acknowledgement form, proforma or tax invoice issued by Solventum, as the case may be.

2. Acceptance

These terms and conditions of sale shall apply to the relationship between Solventum and Customer in connection with purchase orders (“Order” or “Orders”) placed by Customer and sales of finished product by Solventum to Customer except as otherwise agreed or amended in writing by the parties through distributor agreements, sale agreements, Solventum quotations or otherwise agreed in writing. In such cases, to the extent that there is any conflict, the terms in the distributor agreements, sales agreements, Solventum quotations or otherwise agreed in writing shall apply.

3. Orders

Orders are subject to acceptance by Solventum in whole or in part. An Order receiving a written Solventum order confirmation (“Order Confirmation”) with an estimated delivery date will be considered as accepted by Solventum. An Order Confirmation with an “In Review” statement, or an acknowledgment of receipt of purchase order, does not constitute acceptance of such purchase order by Solventum. Solventum reserves the right to apply a minimum order quantity and/or value for the products. Unless otherwise agreed in writing by the parties, any provisions in Customer’s Orders or communication which conflict with or are additional to these terms and conditions of sale shall not be applicable to any sales or supply of products and these terms and conditions of sale shall prevail.

4. Prices

Unless Customer has a written supply agreement with Solventum to the contrary, Solventum reserves the right to change prices at any time and will use reasonable efforts to provide at least 30 days’ notice. Revised prices may apply to all orders shipped after the effective date of the price change. For clarity, blanket orders and orders specifying future dated shipments may also be billed at the pricing in effect on the date of shipment. Unless otherwise expressly indicated, prices are exclusive of all taxes, delivery charges, insurance, duties, and associated expenses, which will be charged to Customer (as applicable). Customer shall be liable to pay all applicable taxes at the rate and in the manner from time to time prescribed by law. If exemption from taxes is claimed, Customer must provide a certification of exemption. If products are exported out of the country with Solventum’s prior written authorization, Customer must provide proof of export such as bill of lading, air waybill, export permit along with the transport vehicle registration number, consignment note from courier company, subsidiary export certificate or note of shipment applicable to the mode of export (“Proof of Export”) within thirty (30) days of Solventum’s Invoice. If Customer fails to provide the relevant exemption or proof of export, Customer agrees that Solventum may charge Customer for any taxes (including value added tax or goods and service tax) which would not have been payable had Customer provided such documents and agrees to pay Solventum all such charges within fourteen (14) days of Solventum’s request. Customer further agrees and undertakes to indemnify and keep indemnified Solventum against all taxes, claims, liability, losses, damages, liens, judgments, duties, penalties, fines, fees and costs whatsoever that Solventum may suffer as a result of Customer’s failure to comply with any applicable laws and regulations including but not limited to tax laws.

5. Payment Terms

The normal terms of sale are on the basis of full settlement of account (without deduction or set-off) prior to dispatch of products by Solventum. No payment shall be deemed to have been made until Solventum has received the cleared funds. Credit may be given to approved Customer who prior to the date of acceptance of the Order have lodged an application for credit in writing on the form prescribed by Solventum and their credit worthiness has first been approved by Solventum in writing prior to the placing of the Order. Solventum is authorized to make all reasonable enquiries as to the credit worthiness and financial responsibility of a customer who has applied for and/or has been given credit. Where credit is given, full settlement of account (without deduction or set-off) must be made within the customer’s credit payment terms beginning from the date of tax invoice issued by Solventum. Failure to pay an account on the due date entitles Solventum to suspend delivery, refuse further orders and cancel any existing Orders without further notice. Credit may be withdrawn if Customer exceeds credit limit. Interest is chargeable on overdue balances in accordance with Solventum policy and the rate of interest may be varied from time to time. Customers may be required by Solventum to give security and/or surety/guarantee. Solventum is entitled to recover all and any legal and other costs and expenses arising from the collection of any overdue monies.

SOLVENTUM TERMS AND CONDITIONS OF SALE

6. Deliveries, Risk and Title

All deliveries shall be in accordance with the delivery terms set out in quotation or order acknowledgement form issued by Solventum, as the case may be, unless otherwise specified. If Customer does not accept delivery of the products which have been delivered at the agreed destination or Solventum is unable to deliver the products on time because Customer has not provided appropriate instructions, documents or authorizations: (i) the products will be deemed to have been delivered to Customer; and (ii) Customer will be liable for all related costs and expenses (including without limitation storage, labor, transportation, insurance, fees, taxes and duties). Any applicable custom duties, taxes or levies shall be the responsibility of the Customer or Solventum depending on the delivery terms. Unless otherwise stated in the agreed delivery terms, all risks and title in relation to the products shall pass to the customer upon delivery. While Solventum will use reasonable efforts to deliver within time specified in the quotation, order acknowledgement form, proforma or tax invoice issued by Solventum, as the case may be, Solventum shall not be liable to the Customer for any losses in respect of late delivery, failure by Solventum to deliver the products ordered, part shipments or any non-performance or any consequences arising therefrom. Customer will upon receipt of the products inspect the products and lodge any complaint with Solventum within 30 days of receipt of products. All notice of complaints of damages upon receipt shall be accompanied by evidence of the damage (including photographs). Solventum's representative has the right to verify the damage and shall advise Customer on further actions.

7. Warranty

The following warranty is made in lieu of all other warranties or representations previously made or implied. Solventum warrants its products against defects in materials and workmanship for the applicable warranty period (the "Warranty Period") under normal use and service. The Warranty Period is stated on the product packaging or is otherwise notified by Solventum in writing. Within the Warranty Period, Customer must give Solventum written notice of any warranty claims or all such warranty claims are waived. Where no Warranty Period is stated, Solventum warrants that each Product meets the applicable Solventum Product specification at the time Solventum ships the Product. If a product is proven not to have met Solventum's warranty, to the extent permitted by applicable law, Solventum's sole obligation and Customer's exclusive remedy, will be at Solventum's option, to replace or repair the product or to issue a credit note for the purchase price in favour of Customer. Solventum has no obligation under Solventum's warranty for any product that has been modified or damaged through misuse, accident, neglect, or subsequent manufacturing operations or assemblies by anyone other than Solventum.

TO THE EXTENT PERMITTED BY APPLICABLE LAW, SOLVENTUM'S WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES AND SOLVENTUM MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, ORAL OR WRITTEN, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY WARRANTY ARISING OUT OF A COURSE OF DEALING OR USAGE OF TRADE OF ANY SORT WHATSOEVER. BEFORE USING, CUSTOMER SHALL DETERMINE THE SUITABILITY OF THE PRODUCT FOR CUSTOMER'S INTENDED USE AND CUSTOMER ASSUMES ALL RISK AND LIABILITY WHATSOEVER IN CONNECTION THEREWITH. THE ABOVE CONSTITUTES CUSTOMER'S SOLE AND EXCLUSIVE REMEDY FOR WARRANTY CLAIMS. The foregoing warranties and remedies shall not apply to any experimental or developmental Product, which is sold "as is" and without any warranty.

8. Limitation of Liability

TO THE EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL SOLVENTUM BE LIABLE FOR SPECIAL, CONSEQUENTIAL, INCIDENTAL, INDIRECT OR PUNITIVE LOSS, DAMAGE, COSTS OR EXPENSES (INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS, SAVINGS, REVENUE, OPPORTUNITY, GOODWILL, INFORMATION, BUSINESS OR USE OR BUSINESS INTERRUPTION OR INCONVENIENCE) FOR ALL MATTERS ARISING OUT OF OR RELATED TO SOLVENTUM'S SUPPLY OF PRODUCTS, THESE TERMS AND CONDITIONS OF SALE OR FROM THE INABILITY TO USE THE PRODUCTS, EVEN IF SOLVENTUM HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES.

TO THE FULLEST EXTENT PERMITTED BY LAW, AND NOT WITHSTANDING ANY OTHER PROVISION OF THESE TERMS AND CONDITIONS OF SALE, THE TOTAL LIABILITY, IN THE AGGREGATE, OF SOLVENTUM AND SOLVENTUM'S OFFICERS, DIRECTORS, PARTNERS, EMPLOYEES AND SUBCONSULTANTS, AND ANY OF THEM, TO CUSTOMER AND ANYONE CLAIMING BY OR THROUGH CUSTOMER, FOR ANY AND ALL CLAIMS, LOSSES, COSTS OR DAMAGES, INCLUDING ATTORNEYS' FEES AND COSTS AND COSTS OF ANY NATURE WHATSOEVER OR CLAIMS EXPENSES RESULTING FROM OR IN ANY WAY RELATED TO SOLVENTUM'S SUPPLY OF PRODUCTS, THESE TERMS AND CONDITIONS OF SALE OR FROM ANY CAUSE OR CAUSES SHALL NOT EXCEED THE PURCHASE PRICE OF THE SOLVENTUM PRODUCTS OR SERVICES UNDER THIS AGREEMENT. 9. Cancellation, Discontinuation

non-returnable inventory will be billed to Customer. Solventum may cancel Order in the event of discontinuation of production of the ordered product or a lack of stocks. On December 20, 2022, Solventum announced its decision to discontinue manufacturing all PFAS products, including but not limited to fluoropolymers, fluorinated fluids, and PFAS-based additive products, by the end of 2025. Solventum intends to help facilitate an orderly transition for its customers, however, the planned exit is not intended to enable the building of an inventory stockpile for our customers or channel partners. Solventum cannot guarantee availability of these products or offer last time buys as part of the planned discontinuation.
